

To Whom it May Concern,

Call for Articles for the Ryukoku University Center for the Promotion of Global Education Research Bulletin Volume 33

The Ryukoku University Center for the Promotion of Global Education annually issues the Ryukoku University Center for the Promotion of Global Education Research Bulletin for the purpose of stimulating research in multicultural exchange, as well as providing information on Japanese language education and Japanese Affairs for students whose mother tongue is not Japanese.

We are now collecting articles for Volume 33

1. Style Guidelines:

- a. treatise, essay, report
- b. research notes, to be incorporated in future publications
- c. data, information, records or observations to be used in research papers
<Themes>

About the Japanese Language Education, Japanese Language, Methodology of Language Teaching, and Intercultural Communication with a focus on Japanese Culture .

Remarks

- 1) Previously published articles will not be accepted.
- 2) The contents of the article should be appropriate to the Ryukoku University Center for the Promotion of Global Education Research Bulletin. (Please refer to "Themes" above)
- 3) Once an article is submitted, minor revisions or corrections of words are allowed only once due to the tight publication schedule.
- 4) If the title of the article (submitted prior to the article itself) is substantially different from the submitted contents, the article may be rejected.

In regard to any further questions on the format, please refer to the homepage of the Ryukoku University Center for the Promotion of Global Education.
