Special Lecture 2B (KANJI 2) (1 Credit)

◆ **Special Lectures** (Electives taught **in English** for International Students)

Special Lecture: Ryukoku Criminology (2 Credits)

JEP-J participants take a Japanese Language Placement Test before or during the Orientation period and are assigned to a suitable level. Students are then offered a selection of supplemental (and completely optional) subjects in Ryukoku University's regular Faculties/Graduate schools based on their language level. Those with sufficient Japanese language skills may also select subjects taught in Japanese. *In principle, however, students base their studies in the JEP-J study course.*
